

THE COPYRIGHT ACT, 1957
(BEFORE THE REGISTRAR OF COPYRIGHT)

IN THE MATTER clarification of regarding Class of Work and No
Objection Certificate from the Author in reference to Registration of
Copyright of work titled "Career Planner – E Learning Tool".

Hearing held on 14.12.2017

Present: Adv. Pramod Kumar Jain

ORDER

The Application with the Diary Number 333/2013-CO/SW (New No. 31932/2013-CO/SW) was made by the Applicant for Software Work titled "Career Planner – E Learning Tool" On Scrutiny, it was found that the work was not software but a website which is entitled for literary protection, hence Class of work was not appropriate and further observed that the No Objection Certificate from the Author was not submitted. Accordingly, a Discrepancy Letter dated 18.09.2013, was issued to the Applicant for clarifications and removing the discrepancies. However, no communication was received by the Copyright Office.

As the discrepancies were not removed, therefore, the matter was presented before the Registrar of Copyrights. The Notice dated 16.11.2017 for hearing in the matter on 14.12.2017 was issued.

The Counsel for the Applicant has recorded his submissions whereby applicant has corrected the Class of Work as "Literary Work" and further clarified that the Author and the applicant are the same person therefore the requirement of No Objection Certificate does not arise.

In view of the above, the discrepancy is deemed removed pursuant to the submissions made by the Applicants and therefore the application with the above diary number shall be processed under literary category.
